

JUDITH DUPRE
Senior Policy Analyst
Office of International Affairs
Federal Deposit Insurance Corporation

Ms. Judith Dupre is a Senior Policy Analyst with the FDIC's Office of International Affairs. In her current capacity she provides support to initiatives related to the FDIC's participation and involvement with the International Association of Deposit Insurers. Specifically, Judy has worked on several Training and Conference Committee initiatives including the development of the Training Strategic Plan 2007-2010, the development and execution of the 2007 Training Needs and Resources Survey, and the delivery of the 2008 Executive Training Program: Resolutions Management: Principles and Best Practices. In addition, Judy was a member of the planning committee for the 7th Annual Conference and Annual General Meeting and served in the capacity of Project Manager for the event.

Prior to working for the Office of International Affairs, Judy spent three years on loan from the FDIC to the Federal Financial Institutions Examination Council's Examiner Education Office where she served as a Senior Program Manager responsible for the development and oversight of training programs and conferences for financial institution examiners from the five United States federal regulatory agencies (FDIC, Federal Reserve System, Office of the Comptroller of the Currency, Office of Thrift Supervision, and National Credit Union Administration) and the state banking authorities. She has also worked for the FDIC's Corporate University in both the School of Supervision and Consumer Protection and the College of Leadership Development.

Judy joined the FDIC in 1993. She spent eleven years as a field examiner in New England and holds commissions in both the risk management and compliance disciplines. Judy is an honors graduate from Bryant University in Smithfield, Rhode Island. She has a Bachelor of Science degree in Business Administration with a major in Finance and a minor in Accounting. Judy is also a 2003 graduate of the Executive Leadership Program Graduate School, USDA.
